Dear Jill

Thank you for sending me the slides etc - I already have access to them from the recording.
On the matter of further submissions, I specifically did not invite any further contributions/ notes post the hearing apart from the Housing Allocation Policy from Breckland - so please do not send them to me. It would be equally inappropriate for the LPA to submit any further representations/ evidence after the hearing.

Dear John

I attach a letter and the Hearing Open Remarks and Slides that Chris presented yesterday as we thought these might be useful for you.
