Dear Jill

Thank you for your letter . I hope that Breckland can send you the Reg 16 comments in the next few days. I am leaving it to Susan heinrich to liaise with you regarding a suitable date for the hearing. In terms of you final document Breckland have sent me the documents that they are required to send to me as set out in Regulation 17 of the Neighbourhood Planning Regulations 2012. They have also helpfully sent me a link to the Parish Council's evidence documents and I have already downloaded a number of them.
