Dear John

Responses to your initial comments and consultation representations

Thank you again for giving us the opportunity to respond to your initial comments and the Regulation 16 representations. In accordance with your instructions, we hereby submit our written responses to both. For convenience we are doing that in a single document, together with a separate zip file containing 5 files referenced in our responses.

Given the importance of this information, we would be grateful if you would kindly confirm receipt by return. Meanwhile we will upload both the responses and attachments to stnp2036.org.

Leading on from your remarks during last week's 'trial' online meeting, I confirm that at its meeting on 1 February, the Parish Council unanimously approved Chris Blow, our work group leader, to be our single focal point at the hearing, and so respectfully request that you direct all questions to Chris, who will involve others amongst our representatives as necessary.

The Parish Council also unanimously approved Chris to make our opening remarks.

We look forward to discussing matters further with you on Wednesday.

Yours sincerely

Jill
