Dear John

Publication of Examination Documents

As Clerk of the Neighbourhood Plan Steering Committee, I have been requested to forward this email to you.

In your initial comments and subsequent guidance notes for the virtual hearing, you requested that all correspondence concerning the examination, your comments and the responses to them by each party, and a recording of the hearing be made available on each party's website.

As you will be aware, we have provided all such information at <https://www.stnp2036.org/examination-documents.html> with a link to our recording of the hearing at <https://www.stnp2036.org/public-hearing-17-february-2021.html>

We are concerned that Breckland Council has not likewise made all the information available. At <https://www.breckland.gov.uk/article/16528/Saham-Toney-Examination-on-the-Neighbourhood-Plan> only your initial comments and guidance notes have been uploaded and the page has not been updated since 5 February.

We raise this not through any pettiness or wish to 'score points', but because of concern that failure to publish information in the manner you requested might in some way jeopardise the status of the neighbourhood plan or leave it open to future challenge due to a failure to follow procedures.

If we are worrying unnecessarily, we would be grateful if you could set our minds at rest on this topic, or alternatively if our concern is valid, we respectfully ask that you take up the matter with Breckland Council as you see fit.

Email: jillglenn6@gmail.com

Yours sincerely

Jill
