

Saham Toney Neighbourhood Plan

Because I have to submit this article by 11 October, I can't publish the result of the referendum on 26 October, but as soon as it's known, we'll announce it on our website, and no doubt it will appear elsewhere, so if you're interested you'll know the result before you read this.

Whatever the result, I'd like to thank all those who took the time to have their say, regardless of whether that was to vote "yes" or "no".

I'll prepare a final article for the December Saga, and in that I'll reflect on the referendum result, the 5-year process of preparing the Plan in general and in the event of a "Yes" majority, a brief explanation of how the Plan will be formally implemented and used by Breckland Council in future.
