Verbal Examination

The majority of examinations are expected to be dealt with by written representations (in writing only). However, should it be decided there is a need for a verbal examination (a hearing), please state below whether you would like to participate by ticking the relevant box.

No, I do not wish to participate at an oral examination X

Yes, I wish to participate at an oral examination

Please note the Examiner will decide whether a verbal examination is necessary. If this is the case, please outline why you consider that your participation is necessary.

I am very pleased to support this plan that has had a lot of time and effort invested in it.

I am particularly pleased that it emphasises the endemic flooding issues in the village and seeks to at least ensure they are not worsened as has been the case with some past developments.

Let us hope that in future planning applications are properly controlled by Breckland as there are to many cases of requirements not being adhered too resulting in eyesores and further flooding to say the least.

Dear Consultee,

Please find attached a letter concerning the details about the consultation on the above plan and the supporting documents.

All of the documents, including the representation (comment) form, are available to view online on Breckland Council's from tomorrow website at:

If you have any comments, it would be very helpful (administratively) to complete the representation form as it provides all the information we need to request and please send this by 5pm on **Thursday 10th December 2020**.

Please send any comments to 'neighbourhoodplanning@breckland.gov.uk' rather than this email address.

Many thanks
