VILLAGE PRESENTATION

**WELLS COLE COMMUNITY CENTRE
FRIDAY 7th DECEMBER
7.00 pm**

**SITE ALLOCATIONS * VILLAGE CHARACTER * DESIGN
GUIDE * GEORGE FREEMAN MP**

Do you want to know how many new homes have been proposed as site allocations and where?

Then do come along, and be among the first to find out - the information is not available anywhere else.

And listen to what our MP, George Freeman has to say about it all.

**THE MAN WHO PUTS
THE BRECKS.....**

**CKSIT
...INTO BREXIT**

Meanwhile to whet your appetite, here are some of the things we *might* be telling you about:

- * **500 new home development suggested**
- * **A huge superstore could replace the WCCC**
- * **Developers propose a new garden village along Hills Road**

In addition, by the time you read this our landscape consultant will have finished the village character assessment and design guide, and we'll also give you details of those at the presentation.

YOUR IDEAS WANTED!

YOUR CHANCE TO MAKE A DIFFERENCE!

However the site allocations turn out, we remain determined that they will lead to community benefits. We can think of some, but we'd rather know what villagers want. Let your ideas run wild and come up with your own wish-list.

In due course we'll discuss the best and most practical ideas with those who have proposed sites.

Simply send your ideas in an email to stnp2036@gmail.com or call me on 880915. Or if you come to the village presentation let us know then.

As usual, if you have any comments or questions on any of this, or anything else to do with the Neighbourhood Plan, or if you'd like to be added to our mailing list, please get in touch with me.

Chris Blow, STNP Work Group leader,
