

Comments Form Introduction & Instructions

Consultation on the Saham Toney Neighbourhood Plan in line with regulation 14 of the neighbourhood planning Regulations (2012), will run from 24 June up to and including 14 August 2020.

Consultation is open to all who live, work or carry out business in the civil parish of Saham Toney, together with a range of statutory bodies we will contact separately.

All comments received by 14 August 2020 will be considered by the Saham Toney Neighbourhood Plan Steering Committee and may contribute to the subsequent update of the Plan, prior to its Regulation 15 submission to Breckland District Council who will subsequently publish it for a final 6-week consultation at regulation 16. Comments made during that final consultation will be sent by Breckland Council directly to the Plan's independent examiner. At that stage, only the examiner can decide if any of those comments should be included, and will only do so if they relate to the legal requirements for a plan.

Hence this is the last full opportunity to influence the Plan.

Following receipts of all comments a Consultation Statement will be prepared summarising all comments and stating how each was addressed. That statement will be available to all parishioners, businesses and other bodies at the time of the Regulation 15 submission to Breckland District Council. A draft version of that statement is made available with this consultation and includes details of comments made at each of the two previous consultations.

Should you have any questions please email them to stnp2036@gmail.com.
