

CONSULTATION ON THE SAHAM TONEY NEIGHBOURHOOD PLAN STRATEGIC ENVIRONMENTAL ASSESSMENT

Consultation on the Strategic Environmental Assessment (SEA) of Saham Toney Neighbourhood Plan in line with Regulation 13 of The Environmental Assessment of Plans and Programmes Regulations (2004), will run from:

Wednesday 24th June 2020 up to and including Friday 14th August 2020.

Consultation is open to all who live, work or carry on business in the civil parish of Saham Toney, together with a range of statutory and other bodies whose interests may be affected by the Assessment.

All valid comments received by midnight on **Friday 14th August** will be considered by the Saham Toney Neighbourhood Plan Steering Committee and may contribute to the subsequent update of the Neighbourhood Plan, prior to its Regulation 15 submission to Breckland District Council and its subsequent examination.

In parallel a formal consultation on the updated Regulation 14 version of the Neighbourhood Plan will take place. Details of that consultation may be found online at and are the subject of a separate announcement, also published in paper form.

The Neighbourhood Plan and its supporting documents can be found online at **www.stnp2036.org**

Comments on the SEA may be returned by email to stnp2036@gmail.com, in or by telephoning 01953 884759 between 9am and 8pm on weekdays.

Covid-19 restrictions at present preclude us from making a paper copy of the SEA Report available at a public location. Instead anyone who lacks internet access but wishes to see the Report, should contact us at **01953 884759** and we will make mutually safe and convenient arrangements for you to do that, designed to maintain social distancing and avoid cross-contamination. Calls to formally make comments on the SEA Report will be recorded in order to provide a record of comments, but those recordings will remain completely confidential; other calls will not be recorded, but a confidential written note of callers' names and addresses will be made for subsequent audit purposes.

Should restrictions be eased sufficiently during the course of the consultation, a further announcement will be published advising of a public venue at which the Report may then be viewed, but at this stage nothing can be guaranteed in that respect.

Issued by the Saham Toney Neighbourhood Plan Work Group, with the approval, and on behalf of, Saham Toney Parish Council
